

# Pol-Rail®

## HOW TO REACH US

**Pol-Rail S.r.l.** is a structure set up by the Italian Railways (Ferrovie Italiane FS) and the Polish Railways (PKP) to develop rail freight traffic between the two countries and, more in general, within Eastern Europe. The initiative aims to create new routes to provide an alternative for the flows of traffic currently gravitating on other modes of carriage.

### From Trieste and Ljubljana

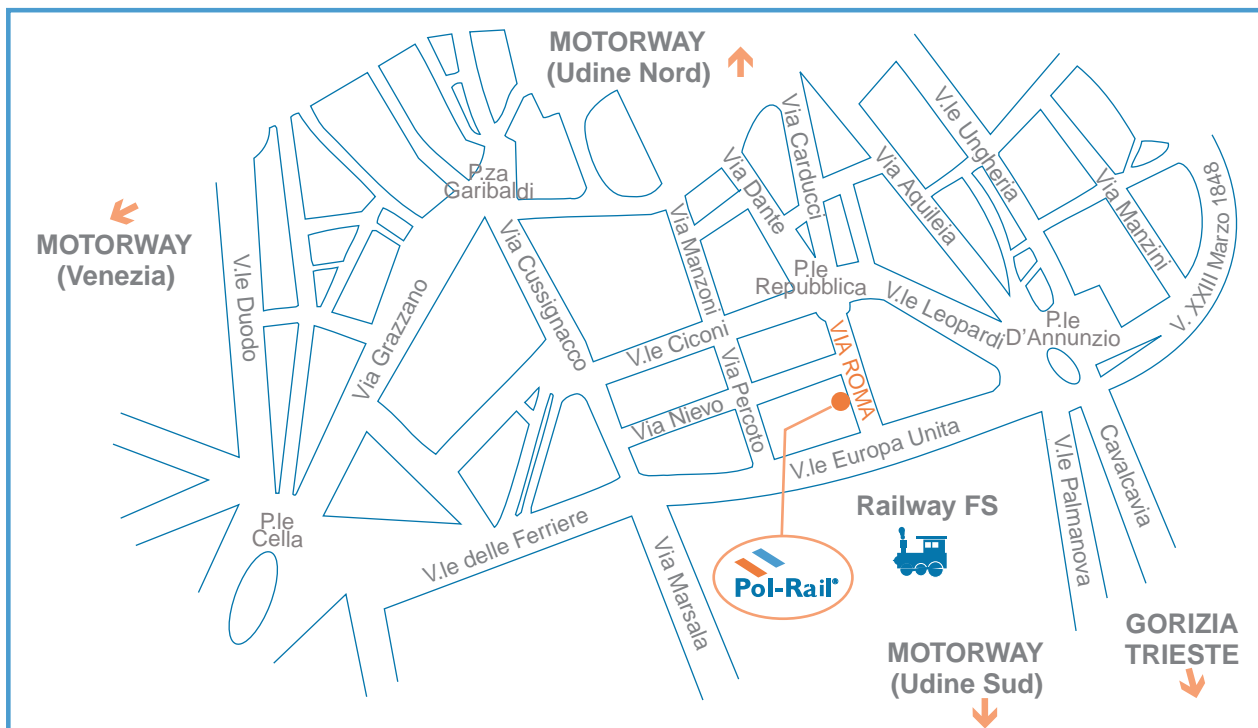

A26 motorway to Italy, A4 Motorway to Venice, Palmanova spur road, slip-road to A23 Udine-Tarvisio Motorway. Take Udine Sud exit, direction Udine town centre (centro) - towards FS Railway Station (Stazione Ferroviaria).

### From Venice

A4 Motorway in the direction of Trieste, Palmanova spur road slip road to A23 Udine-Tarvisio Motorway. Take Udine Sud exit, in the direction of Udine town centre (centro) - towards FS Railway Station (Stazione Ferroviaria).

### From Klagenfurt

A2 Motorway to Italy, then A23 Udine Motorway. Take Udine Nord exit, in the direction of Udine town centre (centro) - towards FS Railway Station (Stazione Ferroviaria).
